The Price Drop Guarantee

What are the eligibility requirements for the Price Drop Guarantee?

The Price Drop Guarantee is valid up to 30 days before departure, and does not apply to groups, cruise packages, flights or à la carte accommodations.

How much can clients save with the Price Drop Guarantee?

Should a package become available at a lower price, clients may receive a refund of up to \$150 per adult/\$75 per child. For guided tours, clients may receive a refund of up to \$200 per adult/\$100 per child.

To which cases does the Price Drop Guarantee apply?

The Price Drop Guarantee is valid only when the departure city, travel dates, destination, room category and flights including service class are the same as those in the initial booking.

What is the procedure for price adjustment requests?

Once the request is carefully considered and approved, and the rate on the original booking is adjusted, final payment will be required. If the client had already paid in full, then they will be refunded the difference, minus a \$25 per person administration fee.

Who should clients contact to request a price adjustment, and by when?

Clients should contact their travel agents, at least 30 days before departure.

Can requests for price adjustments be made more than once before departure?

No. The Price Drop Guarantee may only be applied once, to the same departure date as that in the original booking.
